

# CELEBRATE AT THE VALENTINE SOIREE TO HELP HUNGRY KIDS

December 2022

Denver, CO - An amazing event combining fashion, romance and dance is coming up this Valentine's season. One in every eight kids in America are at risk of hunger. No Kid Hungry reports that's 9-million children. And Avital Presents wants to help.

Galactic Experiences creator and award-winning international speaker, Avital Miller, is hosting this black tie, red-carpet extravaganza called Valentine Soiree. Denver residents are calling it "the event of the season." It will be held at the Mirus Gallery, 1144 N. Broadway in Denver on Saturday, February 11<sup>th</sup> from 6pm to midnight.

The big event will raise money for No Kid Hungry—the only national campaign dedicated to ending childhood hunger in the U.S.

The night is filled with entertainment and wonder. Sponsors will be getting outfits designed and taking the runway as part of our devils and angels themed fashion show curated by top local designers including Missy Caldwell, Darlene C. Ritz with DCR studios and Sherry's Angels. If you are interested in participating, we are open to adding sponsors to our program, if you act fast.

There will be a VIP Cocktail hour with free drinks, appetizers and exclusive entertainment, including fire dancers. Take photos with the designers, our event host Avital Miller, and Sherry's Angels.

We're excited and honored to have award-winning international speaker and multi-media host, Michelle Mras, emcee this 250 person event.

At the event, we will be auctioning the most eligible bachelors and bachelorettes for dates donated by local businesses. Circus Foundry, trained by Cirque de Soleil, will perform. You will also find an escape room, games, magic and more!

"This isn't just an event. It will blow your mind with creativity, excitement and talent," said Avital Miller, founder and host. "It is an opportunity to join a network of high-powered Coloradans and beyond who can make a difference and help make your dreams come true."
